I will ask. Our resources are limited right now. They're doing the best they can.

We have over a two hour delay at our dump. There is no way to give an ETA at this point. We will get there as soon as we can.

Hello Sarah,

I was told that the bin wasn't there this morning. Is there a time frame in which it will arrive ?

Hi Ana,

Do you have the April bin requests for the Clean Sweep team? The supervisor wants to schedule those drops and pick-ups.
